

## Certified Registered Nurse Anesthetist (CRNA)

Based in the Minneapolis/St. Paul metropolitan area, NASPA (Nurse Anesthesia Services P.A.) is accepting applications for full-time CRNAs to work in one of our service locations in the metropolitan area. At NASPA, we are committed to delivering high quality, cost effective anesthesia services. NASPA offers rewarding career opportunities in ambulatory care settings with limited or no call, holidays, evenings, nights or weekends.

As a professional association of nurse anesthetists, we control and determine our business model. We recognize that everyone contributes to our success, we listen and provide a working model that supports our team. This is a great opportunity to work with some of the most talented people in the industry. Duties are as follows:

- Administer anesthesia and anesthesia related care in supervised and non-supervised settings.
- Provide and perform pre-anesthetic evaluations; anesthesia induction, maintenance and emergence; post-anesthesia care and follow-up; and perianesthetic support
- Provide identified opportunities for improvements in anesthesia delivery

Experience as a CRNA is preferred. Requirements:

- Valid Minnesota advanced practice nurse licensure; AANA certification or equivalent.
- Basic and advanced Life Support Certification
- Can show proven communication and listening skills, ability to be calm in an emergency, and have a high tolerance to stress
- Must be able to work with a variety of personalities
- Proven ability to be a team player - Pediatric Advanced Life Support certification is required at some locations

Send your resume to [recruitment@naspafmn.com](mailto:recruitment@naspafmn.com). For qualified employees, NASPA offers a competitive compensation and benefit package. NASPA is an EEO Employer.
